## **What Will My Sponsorship Pay For?**

Your generous sponsorship will support covering the costs associated with the banquet as well as funding our ministry directly.

The banquet itself supports Ohana by creating awareness to our community.

The proceeds that your sponsorship will additionally support are:

- allowing us to invest in our outreach efforts to show women facing unexpected pregnancy that we are a resource
- allowing us to add an additional counseling room so we can see more women
- allowing us to invest in our staff and our volunteer training/education so we can provide the best support to women facing unexpected pregnancy
- and more!
