## **What Will My Sponsorship Pay For?**

Your generous sponsorship helps cover the costs of the banquet while also directly funding our ministry's work. The banquet supports Ohana by increasing awareness within our community. In addition, the proceeds from your sponsorship will help us:

- Invest in outreach efforts that ensure women facing unexpected pregnancies know we are a trusted resource
- Support our staff and enhance volunteer training and education, enabling us to provide the highest level of care
- Advance additional goals that will be shared during the Director's update at the banquet
